

Department of Maryland Marine Corps League Service Rifle Match

The Marines from the Robert W. Deane Detachment would like to thank all those who participated in our, hopefully annual, Department of Maryland Marine Corps League Service Rifle Match. We would like to dedicate this match to all our brethren who are currently engaged in combat, and to those Marines who support them.

This was our initial effort, and we will learn from it. It was hot, it was not as smoothly run as we would have hoped, and it was more work than anyone should be forced to do on a Sunday. It was most of all Fun, and a fitting dedication to our brothers. We hope that all those who attended will find the results satisfying, and will pass the word to all those who did not show or who missed the event.

Instead of the usual practice of having everyone classified as a master shooter in an initial match, we opted to use the match results to determine awards.
