# MARINE CORPS LEAGUE

National Headquarters

To: All Marine Corps League Detachments, Regular and Reserve Units.

From: Ernest J. Simmons National Marine Corps League Chairman.

Subject: Final results of the Marine Corps League National Postal Pistol and Rifle Competition.

1. This is the first year that the National Postal match has attempted to become self-sufficient with the monies from the registration. We have succeeded and hope to see that more of the Detachments nationwide register to participate in the only National competition program.
2. The program is set up so any member(s) of a Detachment or Unit that cannot field a team and is interested in entering the competition can register as an individual and be eligible for a trophy. First time Competitors will be classified as MASTER shooter for the current match, after firing they will be classified according to the score fired. This classification will be used for any of the matches entered in the future. All NRA classification will be honored upon submitting a zerox copy of the classification card.
3. The scores and classifications in this Postal Match have been reviewed by the committee and the selections, as determined by the committee are final. There will be no contesting of the committee's selections of awards and classification.
4. The awards will be presented at the Falls Church Staff Meeting They can be picked up by the Detachment or Unit receiving the award or by the Department or Detachment Commandant in attendance for distribution to the Detachment of individual recipient. The trophies that are not claimed at the Staff Meeting will be mailed to the Detachment or Unit team Captain.
5. If any name or other designation in this Brochure is misspelled please contact the office of Ernest J. Simmons to make the correction as soon as possible but no later than 20 January 2004. Name corrections will not be made after the trophies are engraved. Phone 1 724 625 9195 FAX 1 724 625 9195 E-Mail [ejhs@zbzoom.net](mailto:ejhs@zbzoom.net)
